Harold Weisberg,
Hyattstown, Md.

Dear Mr. Weisberg:

Your amazing debate on the Alan Burke Show had us glued to our seats. Your views have long been a possibility in our minds, and we were thouroughly fascinated by you and your gallant method of argument.

We of course are extremely desirous of obtaining your book "Whitewash", and will appreciate your indicating where in New York City we may obtain same.

Thanking you in advance,

Most sincerely,

Edwin D. Rosen
